

SABANCI University Integrated Manufacturing Technologies
Research and Application Center (IMC)

Mechanical Testing Laboratory

This certificate demonstrates conformance and recognition of qualification for specific test methods, as listed in "Turkish Aerospace External Source Approved Processes List".

Scope of the approval is as listed below:

TEST FACILITY			TEST METHOD				
Name of the Independent Laboratory	Country	Town / City	Test Specification	Category	Status	Scope	Remarks
Sabanci University Integrated Manufacturing Technologies Research and Application Center (IMC) Mechanical Testing Laboratory	TURKEY	ISTANBUL	ASTM E8 ASTM E21 EN2002-1 EN2002-2	Category 1	Qualified	Ultimate Tensile Strength (Rm)	All metallic materials
					Qualified	Yield Strength (Rp 0.2)	All metallic materials
					Qualified	Young's Modulus (E)	All metallic materials
					Qualified	Reduction of Area (Z)	All metallic materials
					Qualified	Elongation 4D (A4D)	All metallic materials

Certificate Number: TQCS-25900-001-23

Certification Date: 24.03.2023

Expiration Date: 24.03.2026
