### INQUIRY DETAILS

Inquiry Date	
Requested Date of Product/Service Delivery	
Requested Test Name and Duration (hours)	
International Test Standard / Method	
Sample Type/Definition and Quantity (weight, size, volume, etc. quantitative values)	
For Prototype Production Inquiries Requested Product Definition and Quantity (weight, size, volume, etc. quantitative values)	
Production Method	
Production Standard No (if available)	
For Desing and Simulation Inquiries Detailed Definition	
For R&D Inquiries Requested Material /Process Definition	
For Consulting&Training Inquiries pls. mention the subject	
Consulting&Training Content	
For Training Inquiries, pls. mention the Reach Profile Definition	
Other Explanations
